ITEM:

Petition HP 01-2 Requesting an Exemption for Certain Model Rocket Propellant Devices for Use with Ground Vehicles

DECISION:

The Commission voted to grant-in-part and to deny-in-part the Petition HP 01-2 from Centuri Corporation requesting an exemption for certain model rocket propellant devices for use with its ground vehicles from the definition of "banned hazardous substance" under the Federal Hazardous Substances Act. Chairman Brown voted to deny the Petition HP 01-2. Commissioners Gall and Moore voted to grant Petition HP 02-2 insofar as it pertains to the smaller model rocket car, named the "Blurzz," and directed the staff to prepare a Federal Register notice for a Notice of Proposed Rulemaking (NRR) for an exemption for the "Blurzz" model car. Commissioners Gall and Moore voted to deny the Petition HP 01-2, insofar as it pertains to the larger model rocket car, named the "Screaming Eagle," and directed the staff to prepare a draft letter of denial of that part of the petition.
